

**Minimally Invasive Gynecologic Surgery Program at Northwestern
New Patient Information**

Welcome to the Minimally Invasive Gynecologic Surgery Program at Northwestern. We are happy that you have chosen to schedule a consultation and look forward to helping you feel better!

In preparation for your consultation, please take the time to complete the following forms located on our MIS website. This information is vital to helping us plan the best and safest approach to your condition.

- New Patient Health Questionnaire
- NMH Preoperative Clinic Health History Form

We also would like to see your past medical records, especially the following:

- Pelvic Ultrasound reports
- CT Scan reports
- MRI of abdomen and pelvis reports
- Operative reports
- Pap smear results
- Pathology reports from procedures

If you do not have these records, please call your prior doctor(s) to obtain them. If you are unable to obtain them, please fill out the Medical Record Request Form completely and fax it to us at 312-695-0014, we will try obtain the records for your visit. If your records are not received prior to your visit, your appointment may be cancelled.

Please bring contact information for your internal medicine or family practice doctor. We understand the importance of communicating with your primary care physician concerning your plan of care.

Thank you for your attention to these important matters and we look forward to meeting you.

Sincerely,

The Minimally Invasive Gynecologic Surgery Program Team
